

Privacy policy Oxydent B.V.

The information we may collect:

- You do not have to provide Oxydent B.V. personal information to use most of this website.

However, you may choose to do so on various sections of our website, including:

- Availability function (we need your email address)
- Order or Quote function (we need the requested details to be able to make a quotation or process your order)

How we use your personal information:

- Oxydent B.V. will use your information to process your orders and inquiries, to improve our service and for administration.

We store your details:

- In our e-mail (such as Google contacts)
- In our administration program (CRM)
- In our telephone device (number and name)
- On our server, you can update and change the data in your portal after login.

Third parties that may store your details after you have placed an order with us:

- Government (tax administration, import and export documents)
- Transportation companies (transport documents)
- Insurance company (if needed and only after your consent)
- Bank, for payments and due diligence.

How we use your personal information:

- Oxydent B.V. will use your information to process your orders and inquiries, to improve our service and for administration.
- Oxydent B.V. will not pass your personal information on to anyone else without your prior consent.

Your rights and responsibilities

- It is your responsibility to ensure that your personal details are accurate and up to date and to inform us of any changes that need to be made.
- You have the right to request details of the information Oxydent B.V. holds about you upon written request.¹
